The story can be traced back 1 month

No

Is that "womon" worth that much to you!!
If it was that, then listen

What's the matter with Dad ?
It seems to be about Tsutomu

Tsutomu get over here
Come here right now
Well well hon if you're going to be yelling at that

So with that reason, Tsutomu
We're going to go and check up on your current situation ♡
Also tell that girl your living with that we said "Hello" ♡

All right! Then I'll go to Tokyo to check up on Tsutomu
besides I haven't been to Tokyo in a while so I want to check it out ♡
Tsutomu ... and a woman?
That's expensive
Why go there
He should be the one to come home, first

KATAN

GOTON *train sound

Yet she is tempting a student Tsutamu and little by little they've been living together

You don't hove any reasons to say such bad things
What a shameless woman
What kind of face would a woman such as that possess I wonder

Mom you're pretty late huh
Ah... well... Tokyo Station is no good...

But, he was still angry at you
KYORO KYORO *looking about
きょろきょろ
So Dad didn't come as well, right

Ed Note
"Oden is a Japanese winter dish consisting of several ingredients such as boiled eggs, daikon radish, konnyaku and processed fish cakes stewed in a light soy-flavoured dashi broth. Ingredients vary according to region and between each household. Karashi (Japanese mustard) is often used as a condiment." (Wikipedia)

An-
Any-
ways
Cheers
KACHIN
Well
even though your Dad is mad it isnt really such a big deal to repeat a year
Since you are still active and eligible to pass
Hey it's kind of like you're a rōnin... right
Ah
this is good...
Since I dropped required subjects even though it's already been determined that I'm repeating next year I still need to take them for units this year
Ye...oh
Well
I still have some subjects I have to retake and
Tsutomu-kun you want a little more?
And so are you still busy with school?
you should come back home once in a while
Kyōko
that's enough
Although you didn't have to bear a big handicap "for somebody" by choice
Mom
When the time comes to look for a job repeating a year and having been a rōnin have a completely different weight to them

Ed note
Rōnin means "masterless samurai" It's a term used for people that have taken a year or two off to focus on studying to pass the college entrance exams.

年上ノ彼女③
PECHIN *smack
Well, of course.
If you came back in the beginning he'd have surely killed you
But... recently he's calmed down a little bit
Well — I expect
Dad's — been angry huh ?
Let's eat
Tsutamu
Open up same time
and came back and apologize to him
it all right if we go together ...
and apologize ?
Um ... Um Is —

DOKI
I'm borrowing the shower
because I kind of drunk a little too much and I got a head-ache
Ah umm Well
Well it's bad but
wont you please close the door or come in ?
GOKU *gulp

Hmm ...
She's got some courage ... to come in here.
Um ...
Um ...
Kyōko ... umm ...
Let me be honest okay ...
.....
I still have my doubts about you

KUUU
Tsutomu was good at studying and good at sports
It was impossible for me to get easily accepted as well to o university in Tokyo
That's the reason we were always proud of him
KUUU *sleeping soundly
FU-
-U...
Well ... Tsutomu and our Mom have similiar personalities
They are both soft hearted people that will blindly believe just about anything
Since ordinarily they know nothing of trouble nor failure
I'm the opposite ... I'm cautious and vigilant always
Still why was he very immature with girls
He didn't have even one girlfriend ... to put it another way we were worried to o certain degree
his impo-tence
Then ...
That Tsutomu

I'll say it clearly to you ...
Tsutomu doesn't have any ex-perience with love.
aren't you just playing with him ...?
Then that Tsutomu storted living with you!?
And he soid that this girl is older thon me !? and more over she has o history of morriage !!
KUKAA *sleep breathing
I will never forgive you !!
supposing ... You are playing with him with superficial feelings.
and ... if that is the cause of him repeating a year
...I
CHAPO *plunk
ZUKI *sharp pain

...
Kyōko, I understand why you'd think that.
...

CHAPO..

Let me be honest with you
When I first met Tsutamu-kun

Y-!!
YOU!!

I just thought about starting a new life
and wanting a new love
so really I would have been glad with any man
I'm saying that the choice of Tsutomu-kun was really just a co-incidence

Tsutomu-kun wanted me.
So, he put up with all my things!

Tsutomu-kun's nice side, his pure open side, his unexpectedly reckless side
Everytime I'm with Tsutomu-kun, one by one I learn his various sides,
I came to under-stand that and ....

ZAA *strong movement
But !!
B-!
even though I thought it was coincidence, it wasn't !

That time ! when I chose Tsutomu-kun,

Today for the first time I met Tsutomu-kun's family and now
Today, You see
I woke up to use the toilet but what do we have here :
He has a mother that wraps him up with kindness and
I know what kind of a warm family he was raised up in
A sister who is seriously concerned for his well being
I
and then, because he had been raised in this kind of family,
I think, I became attracted to him.
I have to say, I've always yearned for a family such as this

I ... have lived 26 years of life.
In that time I have deceived and betrayed people and even myself ...
But ...
a lot ...
But ...
But Kyōko, know this ...
The only thing that I love is Tsutomu-kun !!

I just
I-I'm sorry but...
You say it like that...so I won't be able to talk badly about you
Fine! it already has become ridiculous anyways
because your a woman who's older than me
That kind of serious-ness
makes my shoulders convulse
Cunning huh
You're a sly one aren't you

KAAAA *blushing
So what you are supposed to be the fair maiden
and you've entered his heart ...
and became that Tsutomu's love ...
I should be embarassed right ?
Yare
Yare *Oh well
BOKU
BOKU *bubbles
KAA...
he won't have the ears to listen ...
Supposing that Tsutomu is pressed now

you seem to have a more detailed picture of him
It's disappointing but even though I've known him for 18 years
?
Hey with Tsutomu
I cant even imagine it you know
Hey !
I have one more thing I want to ask you
Um ...
Okay ...
ZABAA *big splash

How is sex like?
ざぱぼっ!
JAPO! *big splash

Um ...
Well ...
It's normal

KU-...
*sleeping
...
Even at my age...
It's still surprising...
SUu.. *deep glide
With boys if you take your eyes off them for an instant...
they get a girlfriend neglect your expectations about them and such
From here We are going to visit grandfather's grave in Tokawa
We'll see you to the station
No! It's fine! seeing us off would be too much of a bother
Hey Mom

Bye Ageha-san
GA! *impact sound
This immature blockhead
I'll leave to you.
Uhm !!?
can you say "Hi" to Dad for me
I'll do some clever talking to him
You don't have to worry just leave it to me
So, please keep an eye on this fool, okay ?
Sis that hurts !!
I said that hurts !!
Okay ♡

Ed note "[In Japan, people] will go to parks, shrines and temples with family and friends and hold a "flower viewing party" known as hanami. Hanami festivals celebrate the beauty of sakura [(Cherry Blossom) when they bloom during the Spring months] and for many, it is a chance to relax and enjoy the beautiful view." -Wiki-

You want me to hold a spot for the cherry blossom viewing?
It seems that tomorrow the weather will deteriorate and today is Saturday so it'll probably be crowded at Toyama park.
You'd be the only one, Tsutomu-kun!
I see. However I've also got things to do
Hayashi and Asai have already started their job hunting and
Morino and Ageha-chan are each making bentōs
Ah
Well, me too you know
Yup you'd be the only one
I promised that I would help Ageha-san with the bentō making
What the hell you're always talking about her
Well... are you free then Fukami-zawa?
From here on I got a job I can't get out of
It's regrettable really
I guess it's out of the question, huh?
If you don't want to hold a spat Tsutomu-kun, well then I guess it's all right if we don't have one
No, it's fine. I'll go then

Ageha-san's Jealousy

年上ノ彼女(ヒト)

Aah This feels good ♡
Half holidays are the best

In the spring yup

You're open huh
Your drought continues
Well men and things with their names can't be separated
Well Shino what are you looking at?
What is it? Is it a good guy?
Ah it's not like that
ah
umm
Shino do you like young ones or something ?
It's not like that !!
Well in this place the people that come here for cherry blossom viewing
are students. This time it looks like we have a lit student or something

Ah shall we try inviting him over ?
What do you intend to do Miku ?
beautiful women such as us drinking without o male member
Woh
He s ignoring us !!
That should- n t be
PERO *lick
If you look at him enough he may be cute
He looks innocent
Ah ! He s looking this way !

No I'm just holding this spot for my circle
Are you by your-self ?
KAPO *pop
All right
Using a standard method like that is always best, you see
Hora *look*
PON *huff

Ed note A circle is a looser form of a club

So that means you're a student then
Really! I'm a little interested in publishing and
We're office ladies ♡
We do editorial production in that building over there
Well ♡ Anyways first please sit down
because we have a lot of things to talk about ♡

Hey! Over here

But, Tsutomu-kun did promise he would help out...
I'm poor at refusing him. So,
that's fine- but...

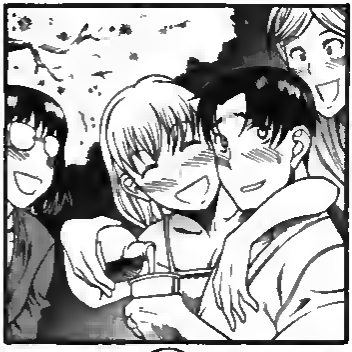
BU
Tsutomu-kun really is quite popular, don'tcha think



I thought about this before but,

Look at him
he's not the very assertive type and
he has a very plain appearance so he shouldn't stand out but

Don't you just hate timid people
he's honest to the core and doesn't joke around, right

People who are impotent are good huh
around people he's nice and

because of his impo-tence
He doesn't devour the opposite sex

…
Is that so.
CHIRA
ちら。
Yes it is, huh … because
What !?
Hey? Have you been looking at Tsutomu with those kind of eyes?
If you look at Tsutomu-kun with those things in mind even his face is cute ♡
I always wanted a little brother with that kind of cute face ♡
Asai-san hey!!
Of course from the first time we met
Hey hey
even if I'm always very jealaus,
Yup ♡ he is populor.
I was one of the people that came to like him.

Guys like that don't exist
Besides when he was buried in my chest he looked so happy
Ed note: Lolita complex or Lolicon is made-in-Japan English that defines a person who has a sexual attraction to children, esp. young girls. In short... a pedophile.
Might Tsutomu-kun have a
Lolita complex
or perhaps he's just into girls with small breasts ?
Wha
!?
Yes !?
Hey ♡ Tsutomu-kun
.....
Hey Miki

A-.....
Aya-chan !!
Why are you here ?
Wha !?
Wha !?
Aya-chan ?

This is Aya Kitagawa.
I graduated from high school this year ♡
Yeah I took care of him ♡
she was a big help there
You know that time when I was chasing after you
Thanks I've heard good things about you.
CHIRA *quick side glance
Well speaking about that
First of all I should look for a cheap place to sleep
... you know
Is this for a grad trip ?
Any-ways when did you come to Tokyo ?
Do you need info about some place?
Well, If you want, you can stay here
It's the least we can do for before
All right.
... What !?

Since it's you, Tsutomu-san, I thought you'd say that ♡
You're quite shrewd, huh
Today I've got work right now So,
Tomorrow no, I mean the day after tomorrow I can give you info
probably
What ?
Ah! I wonder if I was making a bad face
I was wasn't I If Aya-chan hadn't helped I wouldn't be with Tsutomu-kun like this and
I should be a little more patient sometimes
Anyways! How long are you planning on staying here
A few weeks is fine, right ?

Wah you won a sports scholarship to our university ?
Speaking of which that's incredible Aya-chin that you were a national athlete in swimming
I'm Fukamizawa I'm Tsutomu-kun's senior
It really isn't such a big deal
Anyways. Old man who are you ?
And why are you eatting here?
I came here today to get back the money I lent to that guy
Don't call him an old man
He's still a student
Before coming to Tokyo shouldn't you have planned in advanced ?
But Aya-chin you haven't decided on a place to stay yet?
Girls alone under Tokyo's cold skies
So you're going to freeload here for a while
FOKO *impact
I don't have a penis
Hey? Aya-chin you are good with women huh
Th-an-ks
When that happened my Dad and brother were apposed to me going to Tokyo
Anyways. When I applied for this university I kept it a secret til I got accepted
And so through my own impetus I suddenly ran off and came here
Ageha-san your cooking is really delicious !!
Hey Aya-chin !? Since you got a physical education recommendation then wouldn't the university prepare a dorm for you ?

That! That time on the train when I saw Tsutomu-son and you affirm your love for each other. I looked at your figures
and I thought this is it I want to try and have a love like that
I was inspired by you two so I applied here
I think this time it's my turn to find love like in the TV dramas !
The dorm is extremely bad
When I checked I couldn't afford other lodgings
and I couldn't afford staying in a house.. besides they were too strict on curfews and penalties
Further more I must find my love !
... ah
... umm
I'm sorry Right now
I must be interfering huh
But, I wanted to try being separated from my parents for a little bit.
There was being inspired by you two, but ...
I also didn't want to go to the university in my home-town that everyone around me recommended me to go to.
I wanted to decide for my self my own course and my own abilities
My parents and teachers opposed it... and
my war chest was poor
... but

I'll do my best at university, swimming, and work !
When I save enough money, I'll leave as soon as possible. So,
Until then, let me stay here !
Please !!
I'm home ...
Today finished early ...
Hey ?
Why are you in that position ?
Furthermore, why is Fukamizawa here?
Tsutomu-san
Please

CHIRA * quick side glance
ちら
I'll do chores, and I won't bother you two!
So for one month let me stay here
Please !
For a while — Please let me stay here for a while

Thank you very much !!
And with that,
That's great, huh, Aya-chin
Speaking of which, Fukami-zawa-san, please hurry up and go home.
Our place's lodgers increased by one
But

Is there no girl any-where that we can use as a model
MUKA
I don't think she'd really return
If I released my anger
Well
Though I'd feel better that's for sure
Also, a girl that had the judgement of an adult and would listen to our problems
That kind of beautiful girl

Don't cry like that
Tsuta-mu-kun say some-thing

It's all right !! Miss, you completely look like a little girl
You're short! flat chested! and have a baby face!

The photo shoot isn't tough and
If it's you, it'll surely be fine.

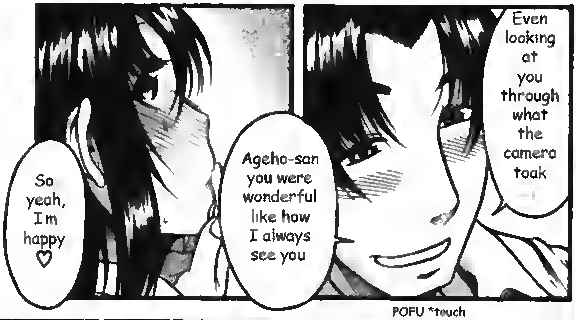
Using me



Even looking at you through what the camera took
Ageha-san you were wonderful like how I always see you
So yeah, I'm happy ♡

POFU *touch

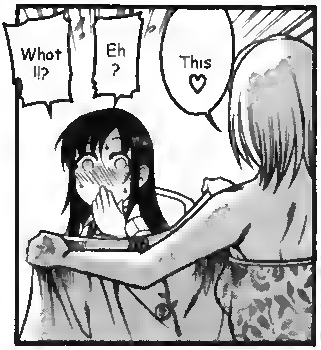
That was finally the last shot huh
So how was it ?
Yea .... it was fun.
I really carried it at the end,
ahh, that was regret-table.
Those were good. ♡

Tsuto-mu-kuun the chief is calling you
He said he wanted to show you some-thing
Okay, I'm coming
Hmph
Since He really does want to work in editing
I don't have to insist, do I
It's because he has a lot of future dreams
Haw about you Ageho-san ?
Huh ?
To speak frankly both the chief and the photo-grapher have become fond of you Ageho-san ♡
They both think the adult look is awfully good

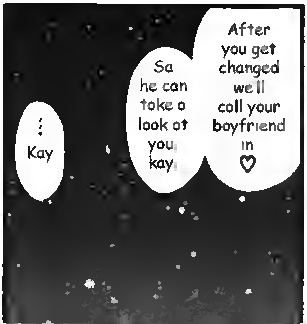
Ageha-san what do you think about your future ?
Well I think you're at an age where you're thinking a lot about various things but
this previous thing, this job, don't you feel like pursuing it?
Well ...

Hey look you lucky dog !



Whot !?
Eh ?
This ♡

Umm well anyways! This is the last dress
Did I say some-thing bad?
... Hey ?



... Kay
So he can take a look at you kay
After you get changed we'll call your boyfriend in ♡

Yeah they gave us some samples
When it gets into the magazine they said it'll change again though !
Awe-some !!
This one is cute ♡ and this one! and this one ♡
suddenly started to talk less and
Wo-!!
Wow !! Ageha-san you're so cute. ♡
After the photo shoot ended Ageha-san
Ageha-san ! you're incredibly cute
she seemed to have a list-less feeling
Thanks ♡
like she was thinking about some-thing
Waah Waa !! ♡
Awe-some !!
Well this was a picture from the lost phata shoot. it was a bonus one that they gave us

Tsuto-mu-kun, you're very manly as well. ♡
Ahaho — They didn't have a suit for me.
I kind of look like a fool standing beside her like this, don't I.
No! No no you look very good !
Very good. ♡

However, this time I got the chance to see what it's like to work in editing and,
What a great wedding dress
I'd like to wear it
I got excited when Ageha-san's photo shoot happened
As such, I had just been thinking about myself and
I hadn't deeply sympathized with her worries.
... Because at that time Ageha-san was mild
and more mature than me to a greater degree
At least that's how it seemed from her profile

I'll have saved enough money by then ta be able to probably move to Akiguchi ♡
And then
ZAAA
I don't want ta take advantage of your kindness forever !!
that time I'll probably be gone from this place
In order for that to happen, I've got to relax and focus on swimming !

So how is the job hunting going ?
Unn I guess it's going all right ...
Well really, I've already dropped out of it.
Having a house with a porch is great huh.
Ah Ageha-san don't move !
Anybody want peeled peaches ?
Tsutomu ! Start with the big ones the big ones !!
Because I've been thinking about taking the exams for graduate school
But Asai-san is still looking around for a publishing company
Is she going for a job in editing ?
Are you also interested in a publishing company
Yeah ! If I can
Publishing seems tough to get in to doesn't it ?
Especially for a new graduate from even our university

I thought about repeating a year like you right
Tsuta-mu-kun really how are your units and such ?
Well the truth is that with this previous semester I might be able to make a full turn around
Wow that's incredible, taking all those classes.
Yeah, I stuck it out during April and May
Well if you pull it off perhaps you can still graudate on time
Yeah, the next semester I'll try my best.
About this time next year, I guess you're going to go job hunting as well then ...
I- I don't know you know
But I really should already be thinking about what will happen after university
